(C) As used in this Section, the term "removable personal property" shall not include property which normally would be attached or affixed to buildings, other improvements or land in such a way that it would become a part of the realty, regardless of whether such property in fact is so attached or affixed.

If the construction contractor cannot post such a bond, the Lessee shall post the construction bond. Said bond shall be conditioned upon faithful performance by Lessee or its construction contractor and shall give all claimants a right of action to recover upon said bond in any suit brought to foreclose on any mechanic's or materialmen's liens against the property. If United States Treasury Bonds are provided, Lessee or its construction contractor agrees to make up any deficiency in the value

deposited that might occur due to a decrease in the value of the bonds. Interest on said bonds shall be paid to Lessee.

(2) Depositing in escrow with the Lessor or an institution acceptable to the Lessor, negotiable United States Treasury Bonds, or cash, or furnishing a non-revocable letter of credit satisfactory to Lessor in an amount sufficient to pay the entire cost of construction of each building or other improvement then to be erected on the premises. 12. LIENS; TAXES AND ASSESSMENTS; UTILITY CHARGES.

(A) Lessee shall not permit any liens arising from any work performed, materials furnished, or other obligations incurred by Lessee to be enforced against the Leased Premises, any interest therein or improvements thereon.
